Interested parties can register for and access the live webcast for the H.C. Wainwright Conference by visiting the "[Events](#)" section of the Rani Therapeutics website. The webcast replay will be available after the conclusion of the presentation.

### **About Rani Therapeutics**

Rani Therapeutics is a clinical-stage biotherapeutics company focused on advancing technologies to enable the development of orally administered biologics and drugs. Rani has developed the RaniPill capsule, which is a novel, proprietary and patented platform technology, intended to replace subcutaneous injection or intravenous infusion of biologics and drugs with oral dosing. Rani has successfully conducted several preclinical and clinical studies to evaluate safety, tolerability and bioavailability using RaniPill capsule technology.
